Afternoon: Disembark in Melk for an excursion to the dramatic 900-year-old Baroque Melk Abbey. This magnificently ornate structure has a long and storied history. Strategically situated on a steep, cliffside perch, Melk Abbey's earliest incarnation was as a Roman border post. Later, it served as a tenth-century Babenberg fortress. It became a Benedictine monastery in 1089 and earned a distinguished reputation for medieval scholarship.

Its library includes more than 70,000 books and 2,000 manuscripts, chiefly from the ninth through the 15th centuries. The Abbey also houses a remarkable cherub-filled library of thousands of books and manuscripts, and 365 windows—one for every day of the year. The interior of the Abbey's church is a kaleidoscope of red, orange, and gold—with a magnificent carved pulpit and shimmering ceiling frescoes. You'll also enjoy free time to explore Melk at leisure before returning to your ship.

Dinner: Tonight, join your fellow travelers for a Captain’s Welcome Drink and Dinner onboard.

Linz, one of the largest ports on the Danube and the second-most populous city in Austria, was initially settled by Romans in the first century AD, and today is one of the country’s cultural centers. It offers a wealth of discoveries—from its Hauptplatz, one of the loveliest squares in Europe, to the 17th-century Abbey of St. Florian, where Linz’s native son, Anton Bruckner, was the organist and composed many of his famed masterpieces of church music. His burial site is at the abbey.

Along the way, you’ll be invited to join an Exclusive Discovery Series German language lesson, where you can learn some German phrases—such as, *Schöne Feiertage* (Happy Holidays)—commonly used during the Christmas season. In mid-morning, you disembark for a tour of the lovely medieval town of Passau, our first stop in Germany.

Situated at the confluence of the Danube, Ilz, and Inn rivers, Passau has been called the *Dreiflussesstadt* (City on Three Rivers) because of its location. The city was significantly developed by the prince bishops of Passau, who made it their royal residence and capital of the largest Danube diocese.

You’ll enjoy a short walking tour of this elegant town that has served as a German cultural and intellectual hub for centuries. See the impressive Bishop’s Residenz, the 13th-century Town Hall, and the town’s magnificent St. Stephen’s Cathedral, which boasts the world’s largest church organ, with 17,774 pipes and 231 resounding stops. The Cathedral’s original Gothic plan is still evident through the 17th-century reconstruction it received in the grand Baroque style. One of its most striking features is

the gorgeous octagonal dome that hovers over the intersection of the nave, where the congregation sits, and the transept, which runs perpendicular to it.

Passau’s colorful Christmas market is located in front of the Cathedral. You have some free time to do some shopping or simply browse the wide assortment of handcrafts and Christmas creations.

it remains beautifully preserved. Your tour features the Old Town Hall and the famous Stone Bridge, Germany's oldest, which was constructed during the twelfth century. This medieval city surrounded by 13th-century walls is the second-largest city in Bavaria. Today the city's name

evokes the notorious post-World War II war trials. But throughout its history, Nuremberg has been known for its wonderful creativity and handcrafts—its toys and fancy metalwork are particularly famous.
