

From the City of Light to the beaches of Normandy, discover the historic French waterway that has inspired armies and artists, saints and singers, poets and peasants while enjoying the camaraderie and comfort of cruising aboard a private river ship. On this journey, you'll delve into European history and culture, enjoy the museums, shops and historic attractions. Explore the artist, Claude Monet's home and gardens, and see the lovely landscapes that inspired him. And explore the vast beaches of Normandy. Where thousands of Allied forces bravely fought and sacrificed their lives to change the course of history

Your cruise tour will feature unique educational and social activities that add to your discoveries.
