

Fjord Cruise & Lapland: Norway, Finland & the Arctic Circle July 19 - Aug. 6, 2024

Spectacular. Picturesque. Breathtaking. These are just a few of the words used to describe Scandinavia's natural splendor. You can experience this majesty first-hand on this very special adventure that combines stunning vistas, cultural exploration and much more. (See map below or [click here now](#) for the complete detailed brochure.)

Thanks to your small group of 25 travelers maximum (average of 22) you can expect some unforgettable experiences, from gorgeous fjord cruising to local villagers visits. The most moving stories of all are the ones you'll hear directly from the local people. You'll meet them, too, and hear their personal experiences when you visit the owners of a reindeer farm and learn about the important role they play in the Sami peoples' daily lives.

You'll also have the rare opportunity to see how Europeans live above the Arctic Circle when you share a home-cooked meal with a local family. As you get to know your hosts, consider how their home and lifestyle differ from group to group. We make sure all our Trip Experience Leaders are "insiders" who live in the country. Along with introducing you to the history and culture of their homeland, these local experts will gladly help you out with any special requests to make your trip even more special.
